

Watch Out, Beaster About!

Although we can all hope that the Beast from the East has finally left us, rumours are that Beaster is on its way. While the weather may not have been the most kind to the insurance industry, it has kept us indoors, which has enabled us to work on some fantastic new branding and an updated website to celebrate our 20th birthday...

With a little help from our own Pest from the West (Mr. Andy Bird), we are proud to reveal that a new Vasek website is finally on its way, alongside an exciting new branding campaign to coincide with 20 years in the business.

If you're attending BIBA 2018 in Manchester on 16th-17th May, you'll be delighted to learn that you will be the first to see our new branding and website! We are also giving away some fantastic prizes to help you celebrate our 20th birthday with us, so remember to pop along to stand C83.

**See us on
stand C83**

What's more, we know that many of you will be thrilled (and a little relieved) to know that our project with Acturis is progressing very nicely... and this time, it's real. The team will continue to keep you updated on this rather controversial topic in meetings.

In addition, the team is looking forward to a local event that we're attending for the first time in May. InsurED is a conference for financial services and insurance members. There is an excellent line-up of speakers, covering a wide variety of topics. You can also gain up to five hours structured CPD by attending the event on 23rd May 2018!

We wish you all a very Happy Easter and look forward to seeing you over the coming months,

The Vasek Insurance team
